

Dear Parents,

February 21, 2012

I hope you enjoyed your long weekend. Hopefully the rest and ~down time~ helped your child recover from all the bugs being passed around lately.

Thank you to those of you who helped us have a very fun Valentine's party last Tuesday. The best part of the party was watching the children pass out valentines and share their love with one another. We all had a great time! Thank you!

BIBLE - Because of the short week, we will review all the verses and Bible Truths we have learned so far this year. What a blessing to hear verses A - P recited! Our last Bible Truth, who is stronger God or Satan, fits in so well with our study of Moses. We are learning that God is stronger than the Egyptian Pharaoh and uses Moses to lead His people out of bondage.

PHONICS - new blends: th and wh new service words: Bible and have
We will begin a new unit on Spain this week in our phonics lessons. We hope to learn the colors and how to count in Spanish! Hola! Please keep reviewing the new blends we have been learning these last few weeks.

MATH - counting to 90 by 1's, 5's, 10's; fractions (halves, thirds, fourths)

BOX TOPS FOR EDUCATION - Please send in any Box Tops that you have been saving. They will be sent in for reimbursement this Wednesday, but I will still collect them after this date as well. This is such a big help to me in our classroom. Thank you for your help.

LOOKING AHEAD -

Friday, March 16 - Circus Day - We can all come to school dressed as a circus character - a clown, lion, or lion tamer are just a few possibilities. We will have fun ~clowning around~ all day.

Friday, March 16 - Faith Family Fun Festival - Please plan now to attend the festival with your family. Invite friends and relatives. It's a lot of fun! All profit received this evening will go into the accounts of the juniors and seniors to help them raise money for their senior class trip to Europe.

☆Star of the Week - Ellie Bowen

Show and Tell - bring in something
from another country
