Tuition Reduction Incentive Program

What is Scrip?

Scrip is “no selling” fundraising.

Purpose:

To provide the families of FBS an opportunity to reduce their tuition or Europe account through purchasing gift cards for everyday purchases. Through the SCRIP Program, gift certificates are purchased from participating food & retail stores at a discount. These certificates are sold at face value to families who participate in the program. The credit that is earned by SCRIP is then credited to the families in the form of a tuition credit or Europe credit.

Program Policies:

1. SCRIP will run weekly during the school year, except for normally scheduled school vacations. Place your order, with payment (either check or cash), at the school office by Friday 9:00 a.m. each week. The order will be available to you on Wednesday of the following week. You may choose to pick your certificates up, have them mailed to you, or sent home with a designated child.
2. Families using SCRIP will receive 50% of the discounted fee. For example, Speedway gives a 4% discount. FBS will receive 2% and the designated family will receive 2%.
3. Family or friends may also help with tuition reduction either by registering and designating the family to be credited or by adding their order to your form.
4. The credits earned on each participating family’s account will be held and applied to your tuition account twice a year (December & May). A statement of tuition credit will be sent to you at that time.

Certificate Information:

FBS will purchase gift certificates through an organization called Great Lakes SCRIP. The percentage earned and change in policy varies from store to store.

Some certificates have an expiration date, and some limit the dollar amount of change you may receive. Check your certificates if you do not plan on using them right away.

Most certificates are good nationwide. For example, a relative in California may purchase certificates through you to use at their local JC Penny’s, Sears, etc.

If you have any questions regarding FBS SCRIP Tuition Reduction Incentive Program, please contact Mrs. Angela Hobson @ 810-496-1811 or Mrs. Michelle Rierson @ 810-742-0995.
